fun exercises towards
exploring your art focus, an
enlightening drawing
session and an afternoon
outdoor walk to explore
how to use all the senses to
create.

View Lyne's profile on WWW.ARTCLIQUE.COM.AU

Lyne Marshall is the author of four books on the creative process. Her purpose in life is to not only create art that the viewer may find uplifting, but to support other artists who aim for growth and seek to achieve creative fulfillment.

This workshop provided a valuable insight into an aspect that is often overlooked - discovering the individual inner story and mark making. This was one of the best seminars I have been to, if not the best. Artist from Brisbane
